# TRUSTED BY PROFESSIONALS

**"My team likes the bags because they are easy to open and sturdier compared to other bagged products we have used."**

**- Public Works Supervisor in SW Nebraska**

**"Using Perma-Patch reduces workers' exposure to the dangers of traffic. Safety is number one for us!"**

**- Maintenance Manager in Oklahoma**

**"In my 25 years of experience in this industry, Perma-Patch is the only product that does EXACTLY what it says it will!"**

**- Municipal Manager in North Carolina**

**"We have tried out other products, but they all fail fairly fast. We love the fact that Perma-Patch will stick in shallow holes and depressions."**

**- Public Works Director in Front Range Colorado**

**"This is a product that we have had ZERO complaints about."**

**- Procurement Department in South Carolina**
